7. Ownership

Mark only one oval.

- Owner-occupier
 Second home
 Private landlord

8. Approximate year of construction

9. Conservation status

Please select any that apply

Tick all that apply.

- Conservation area
 Grade II listed building
 Grade II* listed building
 Grade I listed building

10. Kind of property

Mark only one oval.

- Detached
 Semi-detached
 End-terrace
 Mid-terrace
 Flat

11. Number of bedrooms

12. Number of other rooms (excluding kitchen and bathrooms etc)

13. Number of people normally living in the property

14. Major works/extensions/renovations undertaken

Give a brief summary, with approximate dates if known. Later questions will cover heating systems, insulation etc so please don't cover this here.

Current
heating
and
insulation

This section asks detailed questions about your heating, insulation and gas and electricity use. Most questions are multiple choice. There is an opportunity at the end of the section for you to add clarificatory details.

15. How is the property heated?

If your property is heated in two different ways, select more than one option.

Tick all that apply.

- Gas-fired central heating
- Oil-fired central heating
- Electric central heating (not a heat pump)
- Night-storage
- Heat pump
- Solid fuel central heating
- No central heating
- Wood-burner
- Open fire

16. How is your hot water heated?

Please select all that apply

Tick all that apply.

- I have a hot water cylinder / heat store
- Continuous flow (no hot water cylinder)

- Electric
- Oil boiler
- Solid fuel
- Solar thermal

17. Who is your electricity supplier?

18. What is your annual electricity consumption in kWh

19. What is your annual electricity generation in kWh (if applicable, for houses with solar PV)?

20. Who is your gas supplier (if any)?

21. What is your annual gas consumption in kWh?

22. Approximate annual cost of oil or solid fuel

Logs, wood pellets, oil, LPG, coal etc

23. Insulation measures

Please select all that apply. If a measure is partial (eg some rooms only) please select the option and make a note for us in the any other information section.

Tick all that apply.

- Loft insulation
- Floor insulation
- Cavity wall insulation
- Solid wall insulation (external or internal)
- Double-glazed windows
- Triple-glazed windows

Other: _____

24. Is there anything else you'd like to tell us about your heating and insulation?

My
plans

It's important that your Retrofit Plan fits your wishes, rather than a standard formula. Use this section to tell us about your plans, particular issues you want to address and so on.

25. Why are you considering retrofitting your property?

People retrofit for a whole range of reasons: economic, health, climate emergency etc. Please give us your reasons.

26. Are there any particular issues with your home that need sorting?

Such as cold and unusable rooms.

27. Have you got existing plans for renovations?

eg new kitchen, extension, bathroom etc.

28. Anything else you'd like to tell us?
